

Serge BAYET

Web developer, information technology specialist, librarian

EXPERIENCE

2015 – 2019 University of Liège

Specialized assistant responsible at ULiège Library

Public service, cataloging, management of electronic resources and subscriptions, equipment, internal software developer (Askal, Alphonse + bibliographic analysis data via Alma APIs), trainer (Alma, Alphonse, Askal, documentary research).

2012 – 2014 University of Liège Trainee

Catalog room and Marie Delcourt room of ULiège: cataloging of old monographs (before 1830), brochures, placards, manipulation of manuscripts, and reception of users wishing to consult manuscripts and incunabula. BGPhL of ULiège, Roman and Germanic languages sections: training of students in the use of electronic resources (Klapp online etc.), loan office, cataloging, weeding.

1998 – 2011 Le Fief de L'Orge – Jazz Club Bartender – bar owner

Various positions in the food and beverage industry, including the management of my very own jazz club for 3 years.

EDUCATION

Aug 2019 – ... BeCode Liège Apprentice in Web development

The active pedagogy practiced at BeCode is probably what suits me best. I have learned to work in a team, to learn from others and to share my knowledge.

2011 – 2014 Higher Education Institution of the Province of Liège (HEPL) Librarian-Documentalist Bachelor, Sciences and Techniques orientation

With a dissertation exploring computational linguistics applied to library science, which lead to the development of Askal, a tool concretely implemented in the Libraries of University of Liège.

1994 Saint-Laurent Fléron Institute Upper Secondary Education Certificate (CESS)

High school diploma with special qualifications in electronics and electricity, as well as in the basics of business management.
